

MAIN INFORMATION

EVENT	Czech Orienteering Championship 2015 - Long Distance World Ranking Event
ORGANISER	Czech orienteering federation (http://www.orientacnisporty.cz) and Klub vytrvalostních sportů Šumperk (www.ksu.cz)
DATE	2015, September 26 – 27
EVENT CENTRE	Ski area Klepáčov ; 50°0'42.653"N, 17°8'37.484"E; map
PROGRAMME	Sat, September 26 ... Qualification Sun, September 27 ... Final
TERRAIN	Hilly mountain forest in the Jeseníky protected landscape area. Altitude is around 600 - 960 above sea level. Runability can be different depending on a part of the forest - ranging from very good to very difficult. Forest is mostly clean without seasonal undergrowth. Mostly good visibility. Irregular network of paths, tracks and roads has moderate density. The terrain is very rich on the different kind of details like rocks, boulders, knolls, depressions, runnable marshes, thickets, clearings etc.
MAP	1 : 15 000, E=5m, ISOM 2000, September 2015
